VOLUNTEER HOURS LOG FORM (2022-23)

As a non-profit youth soccer club with 2,500 players, much of the success of our club is attributable to great volunteers like you. Throughout each season there are various volunteer opportunities for parents and older teenages.

"Volunteers don't get paid, not because they're worthless, but because they're priceless." Sherry Anderson

For Charger U11-U19 Academy/MLS Next Players, to have your \$200.00 volunteer fee (per player) refunded to you, all you need to do is volunteer a minimum of 20 hours (per player) for the club, document those hours on this log & submit to <a href="Leslie@ChargersSoccer.com">Leslie@ChargersSoccer.com</a>. This form is also to be used for all Scholarship Grant recipients to document your required volunteer hours (for no reimbursement) and will be posted toward your scholarship first.

Each time you sign up for a volunteer event, take this form with you. Fill in the Event Date, Name and your start and end times and have the Chargers staff person associated with that event sign your form confirming you met the volunteer task time & expectations. Chargers staff signatures are required for your hours to count.
